

Augustus is a 2 year-old male hound mix and weighs approximately 60 pounds. His favorite pastime is chasing bugs. He seems to like people of all sizes, most dogs he meets and isn't interested in cats.

Gus is a love bug and would love a lap to call his own. He has been homeless far too long.

William is a young male Pointer mix and weighs approximately 35 pounds. He knows basic commands and is very calm and laid back for his young age. He has been in limbo since being saved from a gassing shelter in June and is ready for his very own person to take him on car rides, play in the park and share an ice cream cone.

For more information or to adopt him, please call Friends of Bartlesville PAWS

Little Red is a female red nose pit mix.

She is approximately two years old and weighs approximately 40 pounds.

She is high energy and loves to play, and is learning basic commands. Little Red gets along with other dogs.

More than anything, she wants her very own person that will love her forever ...

she will return the favor many times over.

Irene is a sweet one-year-old hound mix. She was saved from a gassing facility in Altus, OK, then left at a boarding kennel. All this girl wants is a place to call her own. Irene is very sweet, loves treats and gives great kisses. Won't you be that safe place for Irene to call home after all she has been through? She will be your best friend forever.
